

The purpose of this proposal form is for us to find out who you are and what you do. It does not oblige either party to enter into a contract of insurance. It is designed for businesses with annual income up to £10,000,000. All sections of Hiscox CyberClear provide cover on a 'claims made' or 'losses occurring' basis, so only claims made or losses occurring within the period of insurance are covered.

You must read the entire proposal form and sign and date it at the end. This form is valid for cover commencing up until 31 December 2019. This form will be accepted after this date at Hiscox's discretion.

Please complete this form electronically (you can sign the form via e-signature or printing it out).

All premiums above are inclusive of Insurance Premium Tax (IPT).

This insurance policy operates on a continuing basis. This means that if at the end of the period of insurance there have been no changes to the statements in your Statement of Fact and there have been no other changes to your business which would form part of a fair presentation of the risk, the policy will renew for a further period of 12 months on the same terms. If you agree for the policy to renew, you will not need to do anything. We will renew it and provide you with new policy documentation. If you pay by monthly direct debit, we will continue to take payment in the usual way.

4. Acceptance

I would like to proceed with cover to start on

Please note that you can choose for cover to commence on any date within 30 days from when you sign this proposal form. The commencement date cannot be in the past. Your application will be rejected if you choose a commencement date in the past or more than 30 days in the future. We may need to agree an amended commencement date in the event that we need to contact you for further information as part of our underwriting process.

Please note that cover is subject to acceptance by Hiscox and will only commence once all necessary underwriting has taken place and you have received confirmation of cover from Hiscox.

I confirm that I have read and agree the statement of fact in section 2 and I accept the offer of insurance based on the cover and limits detailed above.

6. Declaration

I/we confirm that the information given in this proposal form and any supplementary information provided is true, accurate and complete.

I/we have made a fair presentation of the risk and have disclosed all facts and circumstances which would be material to your acceptance or assessment of the risk in a reasonably clear and accessible manner, whether or not those facts or circumstances were the subject of a specific question in this proposal form. I/we confirm that I/we have conducted a reasonable search of the information available to me/us (including information held by third parties) in order to reveal those facts and circumstances. If there are any material facts or circumstances not covered by a specific question on this proposal form, I/we have listed these on a separate sheet of paper which is signed and dated and attached to this proposal form.

I/we understand that if I/we deliberately or recklessly failed to present the risk to you fairly, you may treat this insurance as if it never existed and refuse to make any payment under it. I/we understand that I/we must reimburse all payments already made by you and that you will also be entitled to retain all premiums paid.

I/we understand that if I/we failed to present the risk to you fairly but that failure was not deliberate or reckless, the remedy available to you will depend upon what you would have done if I/we had made a fair presentation of the risk. I/we understand that you may:

- treat this insurance as if it never existed and refuse to make any payment under it. I/we must reimburse all payments already made by you. You will refund any premium I/we have paid; or
- amend the terms and conditions of this insurance and apply those amended terms and conditions from the start of the period of insurance. I/we understand that this may result in a particular claim or loss not being paid. I/we will reimburse you for any payment already made that would not have been paid if such terms had been in effect; and/or reduce the amount of any claim in proportion to the premium that you would have charged if I/we had fairly presented the risk to you. I/we understand that this remedy may apply in addition to those shown in b. above.

The person signing this proposal form is duly authorised to do so on behalf of the proposer.
